BINTEREST PROTOTYPE FLOW

How the prototype screens connect, from launch to themed search results.

1 SPLASH

2 LOGIN

3 DISCOVERY FEED

HOW THE PROTOTYPE FLOWS

01 App opens on the Splash screen with the logo and a loading bar.

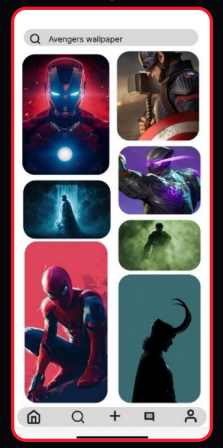

02 Login screen: email and password, Facebook / Google, or Sign Up.

03 After login, the Discovery Feed shows a wallpaper grid with search.

04 Each search query opens a themed visual feed (six shown below).

GOTHIC AESTHETICS
